*"Anyone interested in a PR in the Half or Full should definitely attend these Speed Sessions. I used to think I was pretty disciplined and completed speedwork on my own. However these individually tailored, expert led sessions provide the right balance, group setting and camaraderie that encourages one to complete workouts you never would have thought possible on your own."* Paul Crider

*"My best 5K time was 24:00. I thought that was the fastest I could ever run. I had heard about how speed sessions were the greatest thing on earth but I have to admit that I was skeptical. After my first speed season, I was able to run a 22:10 5K. I shaved almost 2 minutes off my time! I am hooked! I would recommend speed sessions to anyone who wants to achieve a PR!"* Grete Ruder
